

Components for the Monthly Parent Session

Resources for these components are provided on your personalized Dashboard once Classroom Lessons are purchased.

1 Speaker Presentation

Speaker **outlines** and **sample adult formation videos** provide guidance as the speaker prepares a talk for parents on the topic of the month which is designed particularly for your parish community.

2 Parent Small Group Questions

Parent small group **questions** on the topic of the month are provided to help foster conversation and growth during each parent session.

3 Home Lesson Overview

Each month, a walk through the Home Lessons gives parents a look at what to expect from the weekly Home Lessons for that month. **Sample overview videos** are provided as a training tool for the facilitator of this component.

4 Family Time (Optional)

Parents and students gather together for a shared experience, such as an extension of the lesson for the month, an activity focused on the liturgical season, or a time of prayer. Each month **suggested activities** are provided for this time.
